

Rx Advantage

Patient Safety Through Innovation

The R_x Advantage

Rx Advantage, Inc. is a state-of-the-art solution in pharmacy services that is changing the way long-term, multi-patient, facilities are approaching the daily administration of medications. The true Rx Advantage is most obvious in the Advantage Pac. This unique "tamper-evident, compliance-packaging" has the patient's name, drug, dose, drug description and administration time printed directly on the package.

The Advantage Pac is a multi-unit dose easy to read, separate, tear-open prepped package produced by automated dispensing machines, ensuring the five R's of medication: right patient, right drug, right dose, right time and the right route of administration.

"My family is having a first-time experience with a loved one moving into a nursing home and going through the [third party insurance] approval process. We have often found ourselves frustrated and confused.

However, any time I have had to contact Rx Advantage, my experience has been positive. [The Rx Advantage Billing Department] has always been professional, patient, and accommodating."

Priscilla Jones, Responsible Party

In-House Billing

Rx Advantage Inc. staffs an in-house billing department that is available Monday - Friday from 8:00am - 6:00pm and Saturday from 9:00am - 2:00pm. Billing representatives are trained pharmacy technicians that are able to answer any billing questions that you might have regarding quantity issues and prices not billed to your insurance. Since insurance plans set your co-pay prices, any questions regarding co-pays should be directed to your insurance provider.

Pharmacy Insurance Coverage

Rx Advantage, Inc accepts all Medicare Part D Plans, Florida and Alabama Medicaid and 99% of private insurance plans. If you have multiple insurance plans, in most cases we can split-bill to secondary and tertiary insurance plans.

Payment Options

Rx Advantage, Inc allows several payment options.

- Automatic Credit Card Debit (Visa, Master Card and Discover)
- Automatic Checking Account Debit
- Pay by Phone via Credit Card
- Check by Mail
- Money Order

All accounts are to be paid in full within 30 days.

Finance charges will be applied after 30 days if payment is not received.

Emergency Pharmacy Services

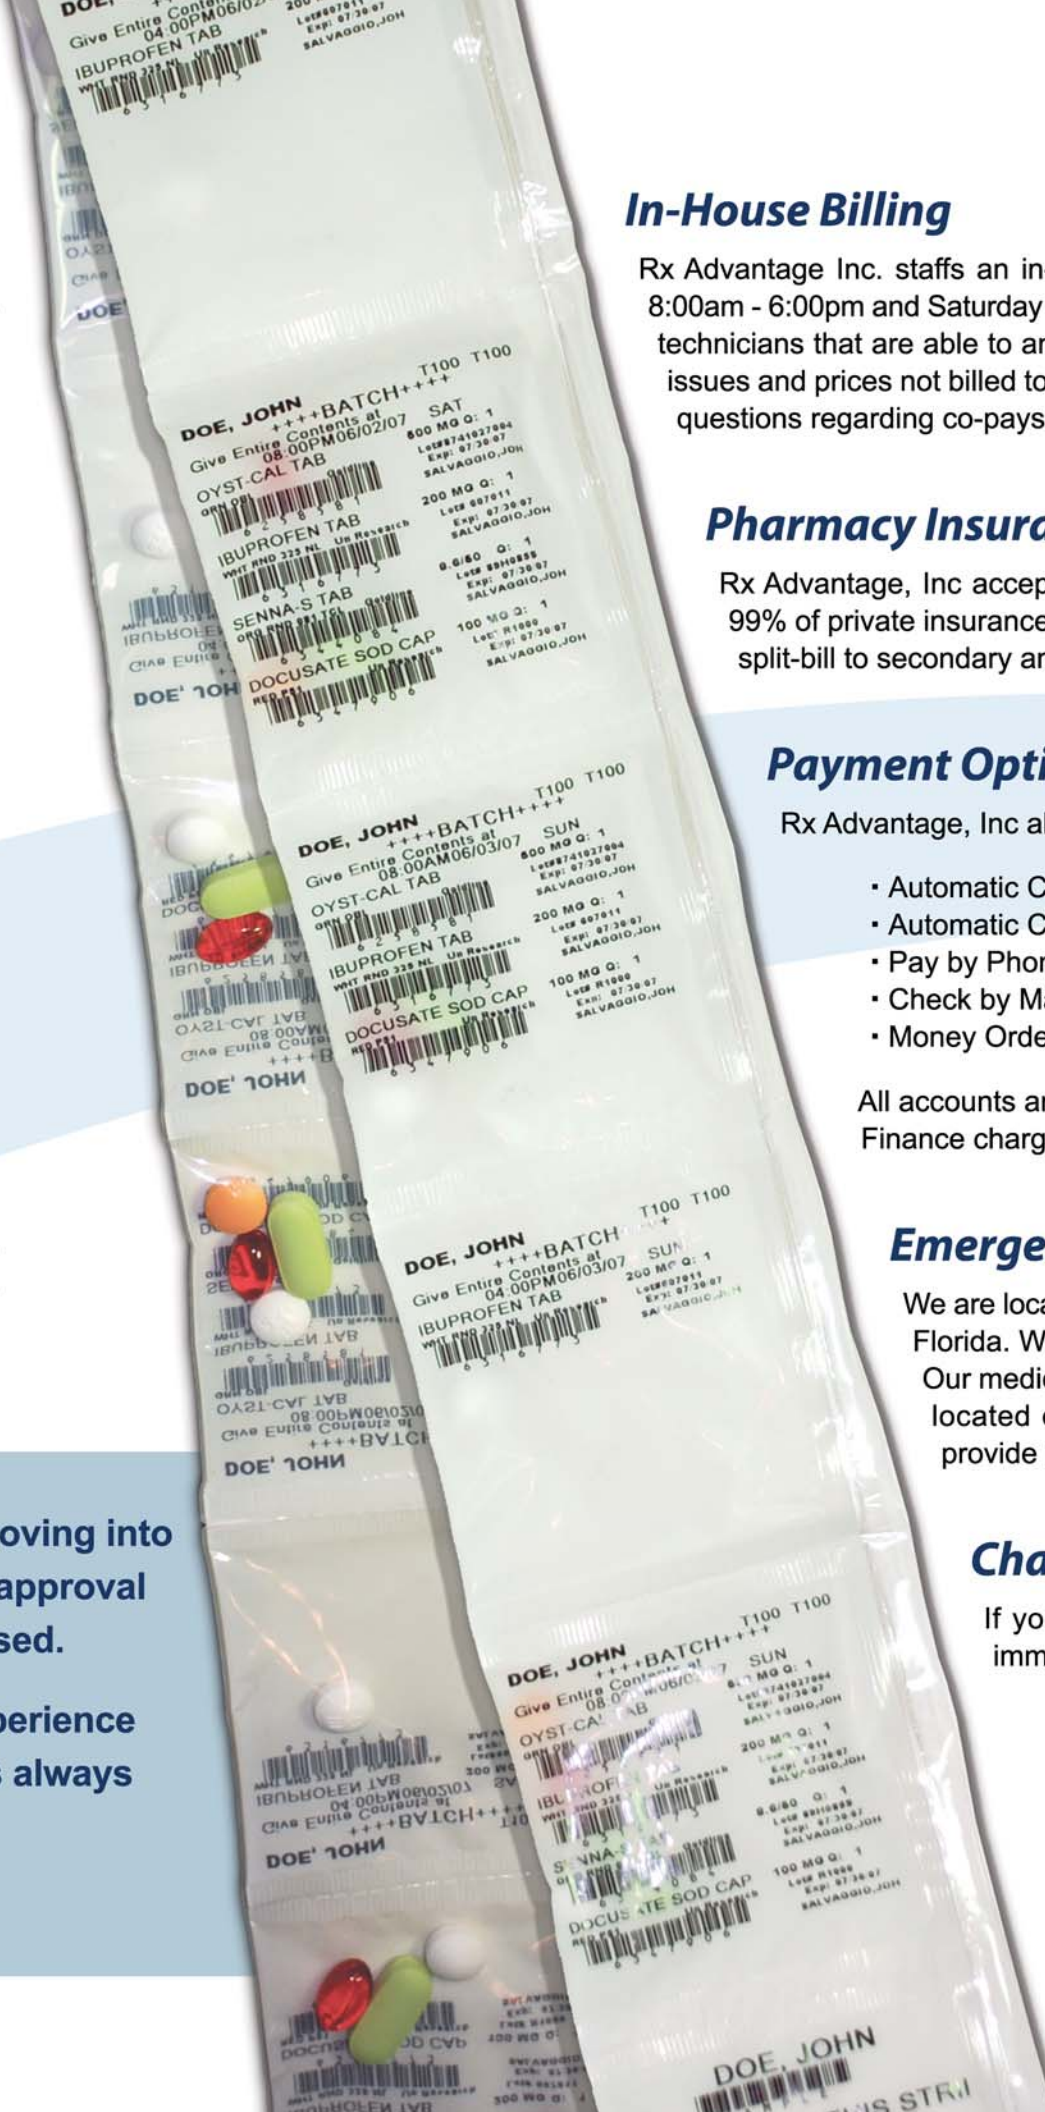

We are located in Daphne, Alabama between Mobile, Alabama and Pensacola, Florida. We offer delivery 365 days per year, 24 hours a day, 7 days a week. Our medications are delivered to each facility by courier or UPS. For facilities located out of town, a back up pharmacy or courier will be arranged to provide medications in an emergency situation.

Change in Information for Residents

If your contact information changes at any time, please contact us immediately. All information is updated within the same business day.
